

Sutton Schoolswork  
Prayer Update December

*Jesus is the  
Greatest gift  
of all*   
MERRY CHRISTMAS  
FROM SUTTON SCHOOLSWORK

## Directors Note

**John 8:12**

**“I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life.”**

Jesus is the light of the world and reminds us that if we follow him we have the light of life. No matter how dark the world can seem Jesus’s love, grace, forgiveness, and peace shines brighter. This month please pray:

- That Christian children and young people in schools would have confidence and opportunities to share about Jesus.
- That pupils would be taught about the significance of Christmas to Christians and that they would be curious about why God sent his son to the world as a baby.
- That teachers and pupils would have a peaceful and restful Christmas before the start of another term.
- That God’s light would shine in the darkest places in people’s lives this Christmas.

  - Pray that the children will leave knowing that they are special, wonderful, unique and like precious treasure in the eyes of God.
2. Thank God for a great week 'Discovering Christmas' with year 2's across the borough.
  - Pray that they will remember Christmas is all about God's love and Jesus' light and that they can share their own light and love with others around them.
3. Pray for all the preparation that needs to be done over Christmas for all the RE days, iwonder spaces, clubs and Easter Experience's next term.
  - Pray that we can easily find all the volunteers that we need for all of these things.

## Secondary Prayer Requests

1. Please pray for the assembly we're leading at Carshalton High School for Girls on the last day of term.

- Pray that we will find the right balance between celebrating Jesus' birthday and being sympathetic of students who have no faith or are from another faith. That the students leave with a fun message as they head into the Christmas school holidays.

2. Please pray for our planning in December as we prepare for January.

- Please pray for wisdom as we research and write new lessons. We'll be looking at the topics of 'Interpretations of Adam and Eve' in Sutton Grammar School. In Stanley park we'll be looking at the 'Suffragette's and the impact they had on the role of women in the UK.

3. Please pray for the students who won't have an ideal Christmas this year.

- Please pray for students throughout the borough who may have family issues, financial worries or health issues to name but a few things. Pray that God will meet all of their needs, give them comfort or support and help them to meet with Him through this Christmas.

**Get Creative** This Christmas, there will be lights in lots of different places. When you stop to notice lights think about those young people, children and teachers who are shining the light of Jesus in schools every day. Pray that the light of Christ would shine brightly through them
